Safety Cage Registration Form

Each vehicle that is required to be fitted with a safety cage must have the Safety Cage Registered by CAMS as compliant with the CAMS Manual or otherwise issued with a relevant, CAMS approved Safety Cage Certificate. If the safety cage has not been registered or is not issued with a CAMS approved cage certificate, then this must be included with the CAMS Log Book Application.

A Safety Cage may be registered/certified prior to a CAMS Log Book application.

Vehicle Photograph Requirements

Vehicle photographs MUST comply with the following requirements in order to be approved:

- Digital format full colour, focus, resolution and of a professional quality (1MB or larger)
- Must be in COMPLETE race condition/competition ready (no missing parts or components)
- Must be devoid of additional objects in the background (such as workshop equipment) and must be only of the vehicle itself

For quality purposes, photographs must be emailed to CAMS via logbooks@cams.com.au
